**GMT CHECK** includes:

- Updates, releases, improvements, future versions;
- Supplements or associated software components;
- Printed materials and online or electronic documentation;
- Internet-based services; and
- Support services, unless other terms accompany such services, in which case those terms will apply.

Unreserved acceptance of the Terms is essential for the provision of the Service by ElevenPaths.

Through (i) the electronic acceptance of these Terms or (ii) the use of GMT CHECK, you fully and explicitly accept having read, understood and agreed to be bound by these Terms without modification. These **Terms** do not imply any obligation for **ElevenPaths** to update any software, or to issue any version, release or update of **GMT CHECK**.

## **2. DESCRIPTION OF THE SERVICE**

**GMT CHECK** is an online service designed to analyze Android applications (APK). **GMT CHECK** extracts the time zone where the application comes from, metadata, included domains, and language and certificate information. You can start using **GMT CHECK** once you have accepted the terms of service. Once you have registered, you will be also able to use the "Analyst Portal" functionalities, which allows you to access to **GMT CHECK** internal database. If you want to unsubscribe from **GMT CHECK**, we will delete your account and immediately erase the data that we have obtained from our systems. The "ANALYTICAL" function allows You to analyze a file with **GMT CHECK** technology. USE THE RESULTS OF THE ANALYSIS AT YOUR OWN RISK. During the use of the Service, ElevenPaths will store files during the time deemed necessary for the document prediction. After this, files will be deleted. ElevenPaths may indefinitely compile and store any detected executable code information found in documents macros for later consultation, as well as for its statistical use and to improve the Service. Once the webpage has been closed or the analysis process restarted, any generated data from the file itself will be deleted, as a result of the Service. **GMT CHECK** can be accessed through the following link:

<https://gmtcheck.e-paths.com>.

The services offered by GMT CHECK may be used by **You**, or by any third party acting on your behalf (End User) through the use of access credentials to GMT CHECK. In all cases, **You** will be responsible for any breach of these Terms caused by the End User.
